

ADAM'S EAGLE PROJECT

Sligo Creek Golf Course Pond Clean-up and Bird House Building

Purpose: Build 10 bird houses and Pond Clean on the 9th hole to make Sligo Creek Public Golf Course to make a better place for golfers and people who use the park.

Where:

Sligo Creek Golf Course at:
9701 Sligo Creek Parkway
Silver Spring, MD 20910

When:

Sunday October 21, 2012 at
8am-12pm

What we will be doing is building 10 bird houses around the different holes at SCPGC. We will be cutting the wood and nailing them together to build bird houses. We will then install the bird houses around the course. We will also be cleaning up the pond on the 9th hole of the golf course. Using hip waiters and weed whackers we will clear the pond.

What to bring: Yourself and water.

HIPWAITERS if you have them!

ALSO: Pizza and doughnuts will be provided as usual
