

T-255's July 6 through July 12, 2014 LENHOK'SIN HIGH ADVENTURE CAMP

Winter is over and time to think about a summer high adventure! Join us at Lenhok'sin High Adventure camp, located at the Goshen Scout Reservation in SW Virginia. T-255 is reserving 1 crew (10 Scouts maximum). Messrs. Lien and Jacobs are the lead adults.

The camp makes use of the 5000 acres of the Goshen Scout Reservation and also some 35000 acres of surrounding state wildlife game lands. There are over 50 miles of trails which offer a real mountain top experience. The program includes participation in select Outposts. These Outpost experiences are considered superior to those offered by Philmont, as Scouts have more opportunity to participate than at Philmont. The Outposts include

- **Foxfire** – blacksmithing, woodworking, bone carving, candle dipping (This was voted the favorite outpost by T-255's 2002 and '06 Lenhok'sin crews).
- **Rockclimbing**
- **Caving** – special cleaning requirements apply
- **Mountain Biking and Mountain Boarding**– all in one day
- **Robin Hood/Medieval Times**– period style archery and lacrosse
- **Mountain Man** – shooting a black powder rifle, throwing tomahawks and knives

When: Sunday, July 6 through Saturday, July 12, 2014.
