

Please Come To Richard Schugar's Eagle Project

On October 11th, I will be creating a flagstone patio for the Fletcher House, a women's shelter which is associated with St. Columba's Church in Tenleytown, D.C. It starts at 9:30 AM.

I need about 10 volunteers, especially older ones. Bring work gloves!

In addition, I need FLAT shovels and tampers. And your agreement to help, of course!

Time: 9:30 AM

Date: October 11th, 2014

Address: 4201 Albemarle St. NW
Washington, DC 20016

(this is the church address, the house is on church property
at the corner of Butterworth Pl. and 42nd St.)

Project: Building a patio for the Fletcher House

Extra Info: Please bring flat-end shovels and tampers if you have them! Donuts will be provided, pizza as well. Please RSVP (incomingspark@gmail.com) and say if you have those tools.

Thanks for everything!
