SUMMER CAMP

It is cold outside, but it is never too cold to be looking forward to summer camp with Troop 255!

Troop 255 is going to summer camp this year at Hawk Mountain from Sunday, June 21st to June 27th. See the attached flyer for details.

EARN \$\$ FOR SUMMER CAMP

Scouts can earn credits for summer camp and other Troop 255 summer programs by participating in our mulch sale fundraiser.

There are three opportunities:

Mulch Flyer Folding - We'll be folding flyers at the February 3rd meeting.

Flyer Distribution - Sunday, February 8th, beginning at 12 noon.

Mulch Delivery - Sunday, March 15th, beginning early.

How MUCH credit can a scout earn, you ask? Hard to say exactly, because it depends on how much we make and how many hours the scouts work, but in past years scouts have earned as much as \$20 an hour.

MULCH DELIVERY NEEDS YOU

Adults:

Do you have a big vehicle? Pickup? Van? Flat-bed truck? Trailer! We need your assistance to deliver mulch on March 15th! Do you have a medium-sized or small vehicle? You can help, too! We will meet on the 15th to deliver something like two flat-bed trailers of mulch. Scouts will load vehicles up, then adults will drive the mulch and a scout delivery crew to the delivery address, where the scouts will put the bags where the customer has requested. All sizes of vehicles are welcome. Big vehicles to the heavy lifting, but we get plenty of smaller orders, too, so no vehicle is too small. Put it on your calendar!
