10. **We sell long lasting, shredded, hardwood bark mulch that retains its color and look.**

WHO WE ARE

T-255, at 73 years, is one of the oldest Boy Scout troops in Montgomery County. It is chartered by the Chevy Chase United Methodist Church at 7001 Connecticut Avenue, Chevy Chase, MD, but is open to all boys interested in the outdoors, adventure, great friendships, service to the community, independence, learning new skills and leadership. Members of various Christian, Jewish and Muslim faiths are members of the troop.

T-255 plays an active role in the Chevy Chase community, both through community service and character development. The troop meets Tuesday evenings at 7:30pm. Weekly meetings focus on acquiring skills, planning trips and rank advancement.

The annual mulch sale is our biggest fundraiser. 100% of the net proceeds go to the Scouts for their summer camps and high adventures. The memories and lessons learned from these activities will stay with the Scouts throughout their lives.
